> 5

Reach

All our upholstery leather and all the chemicals used during the tanning process complies with the European REACH Regulation – Registration, Evaluation, Authorisation and Restriction of Chemicals – which promotes a reduction of animal's tests and also a reduction of chemicals use that harm humans and environment.

Available colors

EN Colour shades may vary from sample swatch to final product and from batch to batch of production.

FR Les nuances de couleur peuvent varier de l'échantillon au produit final et d'un lot de production à l'autre.
